Future Donations

Please click/mark the checkbox to indicate what you would like the Paper Boat to do with future donations.

4. I/We would like to continue donating the **same amount**, to enable the Paper Boat and their partners to **pursue the vision of a world that unlocks the infinite potential of every child**

5. I/We want to **change the amount** we donate, and to **invest in the next generation** through projects that support, protect and empower vulnerable children.

Please note that indicating the amount here will allow us to update our records, but if you give via standing order you will still need to contact your bank to change the amount or frequency of donations.

£10/month

Is all it takes to **keep the doors open** to two young people and invest in children's and youth hubs that develop entrepreneurial thinking that can **improve self-esteem** and **unlock potential** in the **urban slums** of Madurai.

£25/month

Is the price to **keep the possibilities endless** and to enable four socially excluded children to attend creative, confident building workshops and activities that **equip them to be self-aware, innovative and determined drivers of change within marginalised communities.**

£65/month

Is needed to **keep the most vulnerable safe** and can provide a high standard of residential care, nutritional food, **medical support** and a **loving, inclusive environment** for those children who are affected by **HIV/AIDs** and have been excluded, orphaned or abandoned.

Other amount: £ _____ / _____

Any amount, little or large is a blessing, and all of **your donations make these projects possible.** We are grateful for whatever you can afford to spare to **keep the children smiling.**

6. I/We intend to, or already have, suspended monthly donations and **do not wish to make any further donations** to support other projects in Tamil Nadu.

Please note that indicating the amount here will allow us to update our records, but if you give by standing order, you will need to cancel the instruction through your bank.

I/We _____ confirm that we have indicated our preferences above, and give the Paper Boat permission to use or return any previous donations that are currently being held according to these instructions.

*If you have any questions then please do **get in contact with us** before making any decisions.*

Thank you for all your generosity and support.

Without your kind donations we could not reach so many children in Tamil Nadu.
Your actions, a moment taken now to make a cross in a box, can change lives forever.
